10th YEAR OF PUBLICATION.

R. L. POLK & CO.'S
MEDICAL AND SURGICAL REGISTER
OF THE UNITED STATES.

The revised edition to appear in 1896, will contain the names and addresses of over 110,000 PHYSICIANS, over 1500 HOSPITALS, ASYLUMS and SANITARIUMS, a list of the 140 MEDICAL COLLEGES in the United States, a synopsis of the STATE LAWS for regulating the practice of medicine, the GRADUATION PARTICULARS of each physician and the SCHOOL PRACTICED. It will designate those who make a SPECIALTY of DISEASES of the EYE, EAR, NOSE and THROAT, in cities of over 40,000 inhabitants and will include a vast amount of other information of special interest to the medical profession, calculated to insure for it a large and general circulation, throughout the whole country.

It is the ONLY NATIONAL PUBLICATION of the kind and is conceded to be the standard and recognized Medical Directory and list of Physicians, Medical Institutions and Societies.

If you have anything to say to the 110,000 PHYSICIANS in the United States there is no better or more economical way of saying it to them, than by an advertisement in the Register, or if you wish to send them your circulars, the Register contains the list in convenient form for addressing.

Price of Register per copy, $10.00.

Advertising rates made known on application.
