“The Alpena News is a general daily newspaper in the City of Alpena, Michigan. USA. It has an approximate circulation of 10,000, and is published by Ogden Newspapers Inc. News reports are available online...The paper currently has between 20 to 50 employees.<sup>[3]</sup> It is the newspaper of record for Alpena County. The circulation area of the Alpena News covers much of Northern Michigan, with a particular emphasis on counties in the northeast lower peninsula. *The Alpena News* is owned by Ogden Newspapers, which includes Escanaba's *Daily Press*, Houghton's *The Daily Mining Gazette*, Iron Mountain *Daily News*, Marquette's *The Mining Journal*, and *Discover*.” From Wikipedia, the free encyclopedia
