

Collection name: Dick Boyce Collection – Devil’s River Research

Collection number: DBC 2

Dates: 1995 to 2005

Quantity: 2 boxes – 0.83 Linear Ft

Provenance note: Donated by Dick Boyce in 2019

Biographical & Historical Information:

Beginning in the mid to late 1990s, a group of concerned citizens began surveying and management of the Devil’s River system. The Devil’s River Watershed Advisory Group began volunteer based monitoring surveys through the Devil’s River system from 1999 to 2005. Richard (Dick) Boyce was a member of many activist organizations throughout Alpena and Black River Area. His involvement includes the aforementioned group and also Thunder Bay River Watershed initiatives.

Scope & Content: Official reports and drafts on NE Michigan water systems

Access: Open to research.

Preferred Citation: Dick Boyce Collection – Devil’s River Research
Alpena County George N. Fletcher Public Library
